INTRODUCTION: Working definition of Attitude

ATTITUDE

A feeling or opinion about something or someone, or a way of behaving that follows from that feeling or opinion

Negative / Positive

INTRODUCTION: Tempting contextual attitudes, and implications on the sequential exercises, and eventual or overall outcomes

GHANA GREEN BUILDING COUNCIL

Job opportunity

INTRODUCTION: Notable take-away

Your *aptitude* guides you to make a promise; however, it is your *attitude* that will determine how well you honour that promise.
